# Unit 7 Extension worksheet

Dear Sam,

I hope you're well. Have you heard the bad news? My brother, Mike, fell off his bike in the park on Saturday and broke his arm. He's in hospital now. Poor Mike! But he's had lots of visitors and they've brought him lots of presents.

I've never been in hospital. I've fallen off my skateboard lots of times and I've also climbed lots of trees. I've sprained my ankle and I've had lots of cuts on my arms and legs, but I've been lucky – I've never had a bad fall and I've never broken my arm or my leg!

My dad has been in hospital a few times. He's broken his leg and he's broken a finger. He's had lots of other accidents, too. He's fallen off a table and he's fallen down the stairs. He isn't very careful!

My parents have gone to see Mike. I'm at home now (I'm making him a card), but I'm going to visit him this afternoon. Do you want to come with me?

Call me when you get this.

See you soon.

Love, Joe
